

Maths and Spelling Activities Monday 18th May to Friday 5th June

These are suggested activities for the next fortnight. They can be completed in any order. If you require a bit more structure for your child, then you could complete from one each section daily alongside an activity from the indoor activity grid and outdoor activity grid.

We are continuing with the topic of the Seaside. Here are a couple of topic related activities that your child could access independently if they would like to.
