Before half term you were asked to work on your own personal topic. Start by creating a poster, PowerPoint about your topic. Use the internet safely to research your chosen topic.

Have a think what theme your topic might be on. Do you enjoy finding out about people in history?(Charles Darwin, Henry VIII, Queen Victoria.) Are you particularly interested in nature?(Creatures of the deep, insects, growing your own vegetables.) Maybe cooking, or woodwork is your thing? Space? Art? Whatever you choose you need to do research to find out new, interesting facts and present it well. It could be a poster, fact file, PowerPoint presentation. We will talk more about it after half term.
