

Medusa was a beautiful girl but she was so vain and boasted about her beauty to everyone

You all know that I am the prettiest girl in the whole of Athens and you are all so ugly!

Yes you are pretty, but you don't have to be so mean about it.

On Monday, she said her eyes were as blue as the Aegean sea. On Tuesday she said her hair was golden like the sun, on Wednesday she said her lips were like roses and so on!

We're in front of Athena's palace! I bet I am prettier than Athena, she can't hear me anyway!

It's amazing!

Medusa! Don't say that, Athena will be mad with you!

The next day Medusa went for a walk with her friends. They saw a palace they knew it was Athena's because she was the only goddess who had a palace in Athens.

The Gods and Goddesses heard Medusa, they were angry but not as angry as Athena!

I'm sorry please don't curse me.

WHO DARES ENTER MY PALACE AND COMPARE THEMSELVES TO THE GREAT ATHENA??

Athena was so angry that a mortal was comparing herself to her, she came down from Mount Olympus to curse Medusa

NO I WAS SO BEAUTIFUL WHAT DID YOU DO!

THAT WILL TEACH YOU!

NOOOOOOO!

Athena had turned Medusa into a Gorgon and cursed her, she was now so ugly that she had to live in a cave or risk turning the people she loved into stone.
