TRANSPORT OF DELIGHT

Some talk of a Lagonda
Some like a smart MG
Or for bonny army lorry
They'd lay them down and dee
Such means of locomotion
Seem rather dull to us
The Driver and Conductor of
A London Omnibus
Hold very tight please, ting ting!
Hold very tight please, ting ting!

When you are lost in London
And you don't know where you are
You'll hear my voice a calling
"Pass further down the car!"
And very soon you'll find yourself inside the terminus
Of a London Transport diesel engine 97 Horse Power Onmnibus!

I stops when I'm requested, although it spoils the ride
So he can shout "Get Aht of it we're full right up inside!"

We don't ask much for wages, we only want fair shares
So cut down all the stages, and stick up all the fares!
If tickets cost ten pounds a piece why should you make a fuss?
It's worth it just to ride inside
That 30 foot long by 10 foot wide
Inside that monarch of the road
Observer of the highway code
That big 6 wheeler, Scarlet painted
London Transport Diesel Engine
97 Horse Power 97 Horse Power Omnibus
Hold very tight please! ting ting!

Clang clang clang! went the trolley
Ding ding ding went the bell
Zing zing zing went my heart strings
From the moment I saw him I fell
Chug chug chug went the motor
Bump bump bump went the brake
Thump thump thump went my heart strings
When he smiled I could feel the car shake
He tipped his hat and took a seat
He said he hoped he hadn't stepped upon my feet
He asked my name, I held my breath
I couldn't speak because he scared me half to death.
Buzz buzz buzz went the buzzer
Plop plop plop went the wheels
Stop stop stop! went my heart strings
As he started to go then I started to know
how it feels when the universe reels

Pardon me boy is that the Chattanooga Choochoo?
Track 29 boy you can give me a shine
I can afford to board the Chattanooga Choochoo
I've got my fare and just a trifle to spare
You leave the Pennsylvania Station 'bout a quarter to four
Read a magazine and then you're in Baltimore
Dinner in the Diner
Nothing could be finer
Than to have your ham and eggs in Carolina
When you hear the whistle blowing 8 to the bar
Than you know that Tennessee is not very far
Shovel all the coal in Got to keep it rolling
Whoo whoo Chattanooga there you are!
There's going to be a certain party at the station
Satin and Lace I used to call funny face
She's gonna cry until I tell her that I'll never roam

So Chattanooga Choochoo wont you choo choo me home!

Those Magnificent Men In Their Flying Machines
They go up diddly up up
They go down diddly own down
They enchant all the ladies and steal all the scenes
With their up diddly up up
And their down diddly own down.
Up, Down, flying around
Looping the loop and defying the ground
They're all frightfully keen
Those Magnificent Men In Their Flying Machines
They can fly upside down with their feet in the air
They don't think of danger they don't really care
Newton would think he had a mistake
To see those young men and the chances they take!

Those Magnificent Men In Their Flying Machines
They go up diddly up up
They go down diddly own down
They enchant all the ladies and steal all the scenes
With their up diddly up up
And their down diddly own down.

Would you like to ride in my beautiful balloon?
Would you like to ride in my beautiful balloon?
We could float among the stars together you and I
Or we can fly!
Up up and away in my beautiful
My beautiful balloon
The world's a nicer place in my beautiful balloon
It wears a nicer face in my beautiful balloon
We can sing a song and sail along the silver sky
Or we can fly
Up up and away in my beautiful
My beautiful balloon
Balloon
Balloon
Balloon!

GET LOUD

VERSE 1

Life is a mystery
Full of uncertainty
Makes little sense to me but I'm trying I'm trying

Life can be so unfair
The rich are slow to share
Does anybody care when you're crying, you're crying

We've got to take our chance now

CHORUS

Time to get loud (time to get loud)
Find your voice in the crowd
It really matters what you say
'cos this is your day
Time to feel strong (time to feel strong)
Find out where you belong
You wanna make us proud?
So get loud!

VERSE 2

The world is going mad
I think that it's so sad
We can't tell good from bad but I'm learning, I'm learning

We waste so much each day
So much is thrown away

Is there a better way well I'm yearning, I'm yearning,

We've got to take our chance now

CHORUS

Time to get loud (time to get loud)
Find your voice in the crowd
It really matters what you say
'cos this is your day
Time to feel strong (time to feel strong)
Find out where you belong
You wanna make us proud?
So get loud!

Are you ready for this?
We're not going to miss
The chance to go oh
We're going to change and rearrange yeah
We're gonna find a better day
We're gonna show the world the way

Get Loud get loud, we're gonna get
Get loud get loud woah!
Get Loud get loud, we're gonna get
Get Loud get woah!

CHORUS

Time to get loud (time to get loud)

THE GOSPEL TRAIN

The gospel train's a comin'
I hear it close at hand
I hear the wheels a-turning
and rolling through the land
Get on board! Get on board! Get on board!
There's room for many a more,
Wooh wooh! Wooh wooh!

No second class aboard this train
no difference in the fare

There's room for many a more

Oh Joshua fit the battle of Jericho, Jericho, Jericho,
Joshua fit the battle of Jericho
and the walls came tumbling down
Well you can talk about your men of Gideon
You can talk about your men of Saul
But there's none like good old Joshua
at the battle of Jericho
I know you've heard of Joshua
He was the son of Nun
he kept right on believing till the battle it was won
Oh Joshua, fit the battle of Jericho Jericho, Jericho,
Joshua fit the battle of Jericho

and the walls came tumbling down

Wade in the water, wade in the water children
Wade in the water, God's gonna trouble the water
Can you hear that rumbling in the sky?
Wade in the water
Must be the angels flying by
Wade in the water
Wade in the water wade in the water children
Wade in the water God's gonna trouble the water

Go down Moses, way down in Egypt's land,
tell old Pharaoh to let my people go!

I got shoes, You got shoes
All of God's children got shoes my Lord
When I get to heaven gonna put on my shoes
I'm gonna walk
I'm gonna talk (chat chat chat chat)
All over God's heaven heaven heaven

I got robes You got robes
All of God's children got robes my Lord
When I get to heaven gonna put on my robes
I'm gonna jump
I'm gonna dance
All over God's heaven, All over God's heaven.
All over God's heaven

Oh Mary don't you weep don't you mourn
Oh Mary don't you weep don't you mourn
Pharaoh's army got drowned,
Oh Mary don't you weep

Do Lord, oh do Lord, oh do remember me,
Do Lord, oh do Lord, oh do remember me
Do Lord, oh do Lord, oh do remember me
Do Lord remember me

I'm gonna lay down my sword and shield,
Down by the riverside
Down by the riverside,
Down by the riverside
I'm gonna lay down my sword and shield
Down by the riverside, Down by the riverside.

Oh when the saints go marching in
Oh when the saints go marching in
I want to be in that number
When the saints go marching in

Swing Low Sweet Chariot
Coming for to carry me home
Swing low Sweet Chariot,
coming for to carry me home

This train is bound for glory this train
This train is bound for glory this train
This train is bound for glory,
I'm gonna tell everyone the story,
This train is bound for glory this train

Get on board, get on board, get on board
There's room for many a more
Get on board, get on board, get on board
There's room for many a more
Woo woo!

THE LIGHTNING TREE

VERSE 1

Down in the meadow where the wind blows free
in the middle of a field stands a Lightning Tree,
Its limbs all torn from the day it was born
for the tree was born in a thunderstorm,

CHORUS

Grow grow the Lightning Tree,
It's never too late for you and me,
Grow, grow the Lightning Tree,
Never give in too easily!

Na na na na na na na na
na na na na na na na na na na na na
na na na na na na na na
na na na na na na na na na na!

VERSE 2

Down in the meadow where the wind blows right
The Lightning struck in the middle of the night,
Its Limbs stripped bare by the lightning flare,
The lightning flare was a wild affair.

CHORUS

Grow grow the Lightning Tree,
It's never too late for you and me,
Grow, grow the Lightning Tree,
Never give in too easily!

Na na na na na na na na
na na na na na na na na na na na na
na na na na na na na na
na na na na na na na na na na!

VERSE 3

Down in the meadow where the wind blows cold,
The Lightning Tree stands stiff and old,
Branches bent by the lightning rent,
the lightning rent from the firmament,

CHORUS

Grow grow the Lightning Tree,
It's never too late for you and me,
Grow, grow the Lightning Tree,
Never give in too easily!

VERSE 4

Down in the meadow with the wind in the West
The Lightning tree faced up to the test,
It's heart went snap when it took the rap,
the terrible rap of the thunder clap!

CHORUS

Grow grow the Lightning Tree,
It's never too late for you and me,
Grow, grow the Lightning Tree,
Never give in too easily!

VERSE 5

Down in the meadow where the wind blows free,
A whisper of green in the lightning tree,
Dreams come true when you want them to,
If you want them to then it's up to you,

CHORUS

Grow grow the Lightning Tree,
It's never too late for you and me,
Grow, grow the Lightning Tree,
Never give in too easily!
Grow grow the Lightning Tree,

It's never too late for you and me,
Grow, grow the Lightning Tree,
Never give in too easily!
Grow grow the Lightning Tree,
It's never too late for you and me,
Grow, grow the Lightning Tree,
Never give in too easily!

Lightning Tree!
Lightning Tree!

UTTER MADNESS

I've been driving in my car,
It's not quite a jaguar
I bought it in Primrose Hill
from a bloke from Brazil
It was made in '59
In a factory by the Tyne
It says Morris on the door,
The GPO owned it before
I drive in it for my job,
The governor calls me a slob
But I don't really care
Give me some gas and the open air

Father wears his sunday best
Mother's tired she needs a rest
The kids are playing up downstairs
Sister's sighing in her sleep
Brother's got a date to keep
He can't hang around.

Our house in the middle of our street
Our house in the middle of our

Our house it has a crowd
There's always something happening
And it's usually quite loud
Our mum she's so house proud
Nothing ever slows her down
And a mess is not allowed

Our house in the middle of our street
Our house in the middle of our
Our house in the middle of our street
Our house in the middle of our street
Our house was our castle and our keep
Our house in the middle of our.....

I tell you I didn't do it
'Cause I wasn't there
Don't blame me, it just isn't fair
You listen to their side,
Now listen to mine
Can't think of a story
Sure you'll find me sometime

Now pass the blame and don't blame me
Just close your eyes and count to three
(One Two Three)
Then I'll be gone and you'll forget
The broken window TV Set

I never thought I'd miss you
Half as much as I do
And I never thought I'd feel this way, the way I feel about you

Soon as I wake up every night every day
I know that it's you I need to take the blues away

It must be love, love love
It must be love, love love
Nothing more, nothing less, love is the best

One Step Beyond!

My girl's mad at me
I didn't want to see the film tonight
I found it hard to say
She thought I'd had enough of her
Why can't she see
She's lovely to me
But I like to stay in and watch TV on my own every now and then

Lots of girls and lots of boys
Lots of smells and lots of noise
Playing football in the park
Kicking pushbikes after dark
Baggy trousers dirty shirt
Pulling hair and eating dirt
Teacher comes to break it up
Back of the 'ead with a plastic cup

Oh what fun we had
But did it really turn out bad
All I learnt at school
Was how to bend not break the rules
Oh what fun we had
But at the time it seemed so bad
Trying different ways to make a difference to the days

Baggy Trousers
Baggy Trousers
Baggy Trousers
Baggy Trousers
Baggy Trousers
Baggy Trousers

INVINCIBLE

Hear those drums
Feel our hearts grow stronger,
See the crowds draw near
fears dissolve our heads held high,
To dream the dream
To feel the fight Ah!
United strong, forever faithful Ah!
To dream the dream
To feel the fight Ah!
United strong, forever faithful Ah!
To dream the dream of victory,
We feel the fight that drives us on to victory!

VIDEO KILLED THE RADIO STAR

(Cue from Tom)

If I was young it didn't stop you coming through. Oh a - oh!

And now I understand the problems you can see. Oh a - oh!
I met your children, Oh a - oh!
What did you tell them?

Video killed the radio star, Video killed the radio star,
Pictures came and broke your heart. Oh oh oh oh oh

And now we meet in an abandoned studio, Ah
We hear the playback and it seems so long ago,
And you remember how the jingles used to go. Oh a - oh!
You were the first one Oh a - oh!
You were the last one,

Video killed the radio star, Video killed the radio star,
In my mind and in my car, We can't rewind we've gone too far,
Oh oh oh oh oh
Oh oh oh oh oh

Video killed the radio star, Video killed the radio star,
In my mind and in my car, We can't rewind we've gone too far,
Pictures came and broke your heart. Put all the blame on V C R

You are a radio star
You are a radio star
You are a radio star
You are a radio star
Video killed the radio star
Video killed the radio star,
etc.

POWER IN ME

VERSE 1

When the race is nearly done, And I feel I can't go on,
I know I can do something about it.
My heart will start to race,
My body find the motion,
And I will feel empowered from within.

CHORUS

I've got the power in me, You've got the power in you.
I've got the power, p p power, got the power in me.
Nobody's gonna hold me back,
Nobody's gonna silence my words,
Nobody's gonna close my mind,
I've got the power in me!

VERSE 2

When someone's needing help, And the world just walks on by,
I know I can do something about it.
I'll stand up for their rights,
My voice will find the words,
And I will feel empowered from within.

CHORUS

I've got the power in me, You've got the power in you.
I've got the power, p p power, got the power in me.

I've got the power in me!

VERSE 3

When my mind is closing down, And I'm lacking inspiration,
I know I can do something about it.
No one can stop me learning,
Create my dreams and future,
And I will feel empowered from within

POP MEDLEY 2016

HOLD MY HAND

Standing in a crowded room and I can't see your face
oh oh oh oh oh oh oh oh
Put your arms around me, tell me everything's OK
oh oh oh oh oh oh oh oh
In my mind, I'm running round a cold and empty space
oh oh oh oh oh oh oh oh
Just put your arms around me, tell me everything's OK
oh oh oh oh oh oh oh oh

Break my bones but you won't see me fall, oh
The rising tide will rise against them all, oh

Darling, hold my hand
Oh, won't you hold my hand?
Cause I don't wanna walk on my own anymore
Won't you understand? Cause I don't wanna walk alone
I'm ready for this, there's no denying
I'm ready for this, you stop me falling
I'm ready for this, I need you all in
I'm ready for this, so darling, hold my hand

BLAME IT ON ME

The garden was blessed by the Gods of me and you
We headed West for to find ourselves some truth, oh
What you waiting for? no
What you waiting for?

We counted all our reasons, excuses that we made
We found ourselves some treasure, and threw it all away, oh
What you waiting for? no
What you waiting for?
What you waiting for? no
What you waiting for?

When I dance alone, and the sun's beating down,
Blame it on me
When I lose control and the veil's overused
Blame it on me

When I dance alone, I'll know I'll go
Blame it on me oh
What you waiting for? no
What you waiting for?
What you waiting for? no
What you waiting for?

THINKING OUT LOUD

When my hair's all but gone and my memory fades
And the crowds don't remember my name
When my hands don't play the strings the same way (mmm...)
I know you will still love me the same

'Cause honey your soul could never grow old, it's evergreen
And, baby, your smile's forever in my mind and memory
I'm thinking 'bout how
People fall in love in mysterious ways
Maybe it's all part of a plan
Well, I'll just keep on making the same mistakes
Hoping that you'll understand

That, baby, now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love right where we are

THESE DAYS

Oh I can see the future
Coming to you
Crying with the sadness in your eyes
And I can find a faith in years I've wasted
Being around enough to feel alive
And when the world is broken, hard and colder
No one ever knows the reason why
For the ones we may become
For the battles we have won
For the day we wish the sun
Gonna play it loud tonight

When you dream of a dream
And you live in the world
Every hope is a hope
For the best don't want you rest on my bones
And you're calling me now
I will see you all the time
Should be out there living the life
And not just watching oh

Take me back
Before we all explode
Before we turn to stone
Before the light is gone
Take me back
To where it all began
To where our memories grow
Before the day goes off

Tonight gonna live for
gonna live for these days
Tonight we'll remember
We'll remember these days
