Headteacher: Mrs Holly Bates BEd NPQH

10th June 2025

Dear Parent & Carers

The Round House Primary Academy are going to be holding Career and Aspiration Days on 7th, 8th and 9th July.

Besides being a fun week, where our children can explore their aspirations and dreams, it is also an opportunity to promote the idea of having a good career. It's believed that promoting a good career will help pupils understand the link between subjects, their skills, and the opportunities that can arise from that. Career and Aspirations Week is about showing our children the possibilities and helping them keep motivated towards their goal. If we can encourage children to develop these skills in their early life, then they will be in an advantaged position as they transition into secondary education and further within their education. Additionally, after school on Thursday 10th July, at our Summer Fair (more details to follow), each class will have been given £10 and will host a stall, to make as much profit as they can, using their skills learnt throughout the week.

Our aims for our Career & Aspirations week are to:

- Excite our pupils about their learning and how it will help them in the future.
- Inspire our pupils to create goals and aspirations.
- Broaden our children's imagination and dreams.
- Motivate them with their learning.
- Challenge stereotypes of different job roles and backgrounds.
- Reinforce the importance of education.

Do you have a job that you would be willing to talk to a class of children about?

We are looking for a range of different jobs and careers for the children to learn about. As part of the talk, we would be asking you to give an explanation of your job (props and equipment linked to this would be good – if possible!), discuss what training or qualifications you need to do your job, what you enjoy and don't enjoy about it, and why you would recommend this job to others. The children would ask questions they have prepared. A member of The Round House team will be present and assist you in the classroom.

The Diamond Learning Partnership Trust is a company registered in England and Wales.
Registered Company Number: 8062508. Registered Office: Andrew Road, Eynesbury, St Neots, Cambs. PE19 2QE

If you are interested and would be able to give up a session of your time, please complete the form by following the additional link or scan the QR Code below.

We look forward to hearing from you and hope that you can help us during these days. Please be aware that this online form will close on Friday 27th June.

Thank you in advance for your help.

Yours sincerely
