Dear Parents & Carers

Year 5 Visit to St Neots Library on 29th April 2025

To give the children the opportunity to have a wider reading experience and to support our learning, Year 5 will be going to St Neots Library on the morning of Tuesday 29th April (after the Easter break). The library has also given us the opportunity for all the children to become members and borrow a book on the day that we visit, if they are not a member already.

If you would like your child to become a member, then please complete the library form (example attached). Paper copies of this letter can be collected from the school office. If your child does not have a library card, they will not be able to get a book out on the day. Please also find attached a leaflet from the library with more information. If your child is already a member then they can bring their cards on the day, so that they can borrow a book. If you have any questions, please don't hesitate to contact Miss Day or Mr Evans.

If you would like your child to become a member, please complete and return the library registration form as soon as possible. Please be aware that if the library does not have a complete registration form for your child, they will not be able to borrow any books on the day of the visit.

Yours sincerely

Dear Parent/Carer,

Your child will be visiting St Neots Library soon and we would like to offer them the opportunity to join the library so they can borrow a book during their visit.

If you are happy for them to join the library, please fill in, sign and return the attached joining form to school. Your child will be given full library membership and their card will be ready for collection when the school visits.

You are of course welcome to visit the library yourself with the appropriate ID, e.g. driving licence, utility bill, etc., and join your child straight away. Alternatively, you can register online at www.cambridgeshire.gov.uk/library, and collect your card from your nearest library.

Either way, I hope you will decide to give your children the opportunity to be a member of their local library. Once registered they can borrow up to 12 items on their library card. The library also holds regular events such as Lego club, story time and craft activities, with something for children of all ages.

If your child is already a member of the library, please ensure they bring their library card and PIN with them when they visit. Please note that it will be your responsibility to make sure any books borrowed during the class visit are returned to the library on or before the date printed on the borrowing receipt.

Yours faithfully

Martin Gilman
