14th March 2025

Dear Parents, Carers & Pupils

Red Nose Day – Friday 21st March 2025

The School Council have been busy planning lots of fundraising activities for Red Nose Day. The activities are explained below, and we hope you will support us in raising lots of money.

It's not a Red Nose colouring competition!

We will be sending round a picture of a red nose, and we are tasking pupils to create an image, using the red nose in a different context. Is the red nose a sun? Is the red nose a wheel? Is the red nose a hat? We ask you to be creative and imaginative with the designs. Entries to be handed in by Friday 21st March to your class teacher, with the winners of each phase announced on the following Monday. We ask for a small donation to enter the competition which will go to Comic Relief.

Come to school with a red accessory

Children can come to school wearing a red accessory, red socks, red headband. **Children MUST still come to school wearing the rest of their normal school uniform.** Children are allowed to bring red noses to wear at break and lunchtimes and will be asked to remove them during their learning.

National School of the Future Competition!

As Red Nose Day celebrates its 40th birthday, it has teamed up with the Lego Group and are asking children to think about what your school might be like in 2065 and how things could be

The Diamond Learning Partnership Trust is a company registered in England and Wales.

made even more playful! Children can unleash their creativity as they explore what lessons and break times might be like, as well as how future schools could work for everyone's different learning styles.

Your challenge, we want you to design your SCHOOL OF THE FUTURE, using LEGO bricks, pens and pencils or whatever supplies you have. If you would like to enter, please make your design at home and bring in a photo of your final design to your class teacher, who will pass it onto Mr Thomas. He will submit the entries by the closing deadline. More information can be found here; [LEGO Build the Change | Comic Relief](#)

Donations to support this can be made through the JustGiving page. This year, we would encourage you to make donations through our JustGiving page:

https://www.justgiving.com/fundraising/rnd25-the-round-house-primary-academy?utm_medium=FR&utm_source=CL

We will NOT be accepting cash. We are looking forward to raising lots of money for this worthy cause and hope that you will support us with this.

Many thanks

The School Council
On behalf of The Round House Primary Academy (part of TDLPT)
