Dear Parents & Carers

Both The Round House Primary Academy and Wintringham Primary Academy are going to be holding career and aspiration days on 10th, 11th and 12th July.

Besides being a fun week, where our children can explore their aspirations and dreams, it is also an opportunity to promote the idea of having a good career. It's believed that promoting a good career will help pupils understand the link between subjects, their skills, and the opportunities that can arise from that. Career and Aspirations Week is about showing our children the possibilities and helping them keep motivated towards their goal. If we can encourage children to develop these skills in their early life, then they will be in an advantaged position as they transition into Secondary education and further within their education.

Our aims for our Aspirations Week are to:

- Excite our pupils about their learning and how it will help them in the future.
- Inspire our pupils to create goals and aspirations.
- Broaden our children's imagination and dreams.
- Motivate them with their learning.
- Challenge stereotypes of different job roles and backgrounds.
- Reinforce the importance of education.

Do you have a job that you would be willing to talk to a class of children about?

We are looking for a range of different jobs and careers for the children to learn about. As part of the talk, we would be asking you to give an explanation of your job (props and equipment linked to this would be good – if possible!), discuss what training or qualifications you needed to do your job, what you enjoy and don't enjoy about and why you would recommend this job to others. The children would ask questions they have prepared.

If you are interested and would be able to give up half an hour of your time, please complete the form attached and return to either of the school offices. Once we have responses, we will get in touch with further information.

We look forward to hearing from you and hope you are able to help.

Your sincerely

Mrs Holly Bates
Deputy Headteacher

Mr Max Hall
Assistant Headteacher
