Executive Headteacher: Mrs Tracy Bryden BSc (Hons) PGCE

14th October 2022

Dear Parents and Carers

We are delighted that we have been selected to be one of 8 locations in St Neots who have been selected to display fabric panels from the Loving Earth Project which were displayed at the COP26 talks in Glasgow last year.

These fabric designs were made by adults and children all over the UK, on the theme of looking after the natural world and taking steps to stop global warming. There were 400 of these panels on display in Glasgow and St Neots will be receiving 100 of these for display around St Neots between 20th October and 20th November. There is a website <https://lovingearth-project.uk/> that explains more about the project. It has an online gallery with pictures of many of the fabric panels that were displayed so successfully in Glasgow.

There are five panels being displayed at The Round House and I hope that you will find time to look at the panels and to read all about them. I have attached a leaflet confirming the location of the other panels in St Neots.

Yours sincerely

Mrs Tracy Bryden
Executive Headteacher
On behalf of The Round House Primary Academy (part of TDLPT)
