Dear Parents & Carers

Nuffield Early Language Intervention (NELI)

As part of an initiative funded by the Department for Education (DfE) in response to Covid-19, our school is being offered access to a programme called Nuffield Early Language Intervention (NELI). The programme is designed for Reception pupils and involves providing targeted small group and one-to-one support for children who would benefit from additional support with their language and early literacy skills.

The NELI programme begins with the assessment of all our Reception pupils using a tablet-based assessment called Language Screen. This assessment is to help us understand who may benefit most from receiving the NELI intervention. Language Screen is a short activity for children, which gives useful information about children's language skills. The assessment is used again at the end of the school year to help us see how children's language skills have benefited from the NELI intervention.

To implement the assessment the school needs to upload information about our Reception pupils to Language Screen. Language Screen's data privacy statement, detailing how data is collected and used, can be accessed [here](#).

Full details of this DfE funded initiative and the NELI programme can be found [here](#). The DfE's over-arching privacy notice for the project can be accessed [here](#) as well as the [privacy policy for Nuffield Foundation Education Ltd](#) who are delivering the NELI programme on behalf of the DfE.

If you have any concerns, or do not wish your child to be assessed using Language Screen, please let your child's class teacher know on Monday 10th October.

Yours sincerely

Mrs Tracy Bryden
