Dear Parents and Carers

We have been extremely lucky to be selected to host an aquarium in our school and to follow a nationwide project called Fish Keeper Fry. More information on this project is available using this link:

<https://www.fishkeeper.co.uk/fishkeeper-fry-page>

Both Year 3 classes will mainly be responsible for maintaining, looking after and learning about the exciting varieties of fish we will be getting.

During this project, we will be submitting photographs of children's work, of them engaging in the project and our Fish Keeper of the Week award. These photographs will be sent to Maidenhead Aquatics and will be publicised on their social media pages and website.

If you do not want your child to appear in these photographs during the project, please complete the bottom slip and return to your child's teacher by 28th January 2022. Your child will still be involved in the project even if they are not photographed.

If you have any queries, please speak to your child's teacher.

Yours sincerely

Mrs Tracy Bryden
