Dear Parents & Carers,

Year 6 Production

Due to the current Government guidelines, we are unable to have parents into school to watch the Year 6 school play. Therefore, we have arranged for the performance to be filmed (on Tuesday 13th), so that family members are able to see for themselves how much hard work the children have put into their production. The video will then be uploaded onto the school YouTube channel.

Please find below a permission form for you to complete and return to the school office as soon as possible, to give permission for your child to be filmed during the performance, and for the film to be posted on YouTube. If you could return your permission form by Friday 9th July at the latest, that would be really helpful.

Yours sincerely

Mrs Tracy Bryden
