Dear Parents & Carers

Robin Class trip to Paxton Pits

We will be visiting Paxton Pits as our Summer trip this year. The visit will link in with our topic on minibeasts and the activities all relate to a story and the children will be solving clues to work out who has been writing to the otter. They will be walking around parts of the Nature Reserve solving different clues, along with pond dipping, mini beast hunting and bird watching. We will be based at the Education Centre which is off limits to the public, so the children would not usually have these experiences unless they paid or joined Paxton Pits' Bugs Club. Robin's visit will take place on Wednesday 23rd June. We will be leaving school at around 9.30am, so the children will need to be at school at the usual time. We will be returning to school for the usual collection time of 3.15pm.

The cost of the visit will be £11.50, to include entry and coach travel, this has been subsidised by the school. This is a voluntary contribution; however, if we do not get enough money to pay for the trip then we will have to cancel it. Please complete and return the attached permission slip together with payment by **Friday 11th June**. We would prefer payment to be made via the Arbor Parent Portal / Arbor app. If you have not already signed up for this, please let the office know and they will arrange for login details to be emailed to you.

The children will need a packed lunch that day (no fizzy drinks, chocolate or yoghurts) and a back pack as they will need to carry their lunch with them. If you would like the school to provide a packed lunch please complete the form at the end of this letter and return it to the office no later than **Friday 11th June**. All children will need to be in **school uniform** (long trousers are essential as the children will be walking through the nature reserve), wear comfortable trainers and will also need a sun hat, sun cream, a water bottle and a raincoat. It would also be helpful if each child could have their own named bottle of hand sanitiser.
