

## **Year 1 and 2 - Reading book deliveries for home learners**

Staff will be delivering (on Mondays) and collecting (on Thursday) a set of home reading books for Year 1 and 2 home learners.

This Monday (18th January) please have ready (in your hallway) any school reading books you currently have at home - colour band book or Top 100 books.

When delivering books, staff will put a plastic box on your doorstep, ring the bell and step back. Please put your books in the box and pick up the plastic bag of new books which will be next to the box.

When they collect on Thursdays, please put your bag of books in the tray. Due to quarantining the books, there will only be a delivery on Mondays, so make sure you read the books before collection day on Thursday.

Please keep the books clean and dry, and stored in the bag they arrive in. It is important that the books are ready to collect on Thursday morning, so staff are not waiting at each address. A few extra minutes at each house will quickly add up!

Thank you for your help with this, and for supporting your child to read while at home.

## **KS2 - Reading book deliveries for home learners**

Staff will be delivering and collecting a set of home reading books for KS2 home learners.

Year 3 and 4 on MONDAYS.

Year 5 and 6 on TUESDAYS.

This Monday/Tuesday (18th/ 19th January) please have ready (in your hallway) any school reading books you currently have at home - colour band books, AR reading books or Top 100 books.

When delivering books, staff will put a plastic box on your doorstep, ring the bell and step back. Please put your books in the box and pick up the plastic bag of new books which will be next to the box.

When they collect, please put your bag of books in the tray. Due to quarantining the books, there will only be a delivery/swap/collection on Mondays (Year 3 and 4) and Tuesdays (Year 5 and 6).

Please keep the books clean and dry, and stored in the bag they arrive in. It is important that the books are ready to collect on Monday or Tuesday morning, so staff are not waiting at each address. A few extra minutes at each house will quickly add up!

Because AR books are longer books, you can return - none / one / or two of the 2 books you receive, and we will replace with new titles. This is difficult to gauge at the moment due to length of the books, and children's reading speeds and the stock of books we have in school at each level etc. Please bear with us while we sort these details!

Thank you for your help with this, and for supporting your child to read while at home.
