Dear Parents and Carers

We have been working on our remote learning provision and we are endeavouring to provide laptops to those who have indicated that they require one. We are trying to ensure that our remote learning is as inclusive as we can make it, to ensure equality of learning for those children in school and for those learning at home. This requires children to access the learning provision virtually by way of a laptop or tablet. This will also hopefully be more engaging for the children. If you have not already advised us of any requirement for a device, please can you email the office as soon as possible.

If your child will be working from home, please find attached a home school agreement for the home learning. We would be grateful if you and your child would sign the agreement and email it to the school office as soon as possible in order for your child to participate.

Yours sincerely

Mrs Tracy Bryden
Executive Headteacher
