Dear Parents and Carers

Further to the Government's announcement last night I am saddened that I am now required to close the school to all pupils other than the children of Critical Workers (Key Workers) or vulnerable children. I am aware that some families' circumstances have changed since the last lockdown and I would therefore be grateful if you could complete the attached form if you believe that you have Critical Worker status. We will contact anyone who we believe may fall into the vulnerable category. **Please send back the completed form as soon as possible and preferably by 1.00pm today** so that we can prepare fully.

Our website contains information on learning tasks that can be completed by your child this week and you will receive further information about our online learning in due course.

Please bear with us, we will forward information to you as quickly as we can.

Yours sincerely

Mrs Tracy Bryden  
Executive Headteacher
