11th December 2020

Dear Parents & Carers,

From December 2020, parents and carers across the county will be able to download a new free mobile app called **50 things to do before you're 5**. It is anticipated that the initial rollout will be in time for the Christmas holidays.

The **50 things to do before you're 5** app is a resource offering parents and carers ideas for 50 different play-based activities that you can try with your children at home and in the local area.

Each of the suggestions has been designed to be universally accessible, play-based and fun by parents, carers and early year's professionals in collaboration with local councils across Cambridgeshire and Peterborough. Experiences are all tailored to each local area, within easy geographical reach, and followed up by targeted support from local providers.

The **50 things to do before you're 5** concept was originally launched by St Edmond's Nursery School, which is the lead organisation for the Bradford Birth to 19 Teaching School Alliance. You can read more about the project on the official [50TTD website](#).

Please note, although **50 things to do before you're 5** is primarily accessed through a mobile app, there will also be a dedicated webpage for Cambridgeshire and Peterborough families with localised activities and ideas, along with posters and activity cards.

We hope you are able to download the app and enjoy using it with your children.

Yours sincerely

Mrs V Pritchard
