Dear Parents and Carers

We have received several complaints regarding cars parking in both School Drive and Oliver Way and I would ask everyone to walk to school if they possibly can, to avoid some of the congestion. Parents are having to cross roads from between parked cars, which is not ideal, particularly if the cars are tall SUVs and other cars passing the parked cars have to pass very close to the vehicles as the road is not particularly wide. This was made worse during the recent spell of foggy weather. This is an accident waiting to happen and we would like to do everything we can to try and avoid this. The PCSO attended earlier this week and advised that he had spoken to some parents on that occasion, however will consider issuing tickets in the future.

The staff car park is available for dropping off and collecting children, however if you are doing so, we would ask that you do not use the disabled spaces closest to the school as we do have some families that need to use these spaces and they have not always been able to do so.

Thank you for your co-operation with both of these issues.

Yours sincerely
