20th November 2020

Dear Parents & Carers,

As part of the National Tutoring Programme, a key part of the Government's £1 billion Covid catch-up package, we have signed up for an Early Years 'catch up' programme focused on raising outcomes in speaking and language skills among young pupils whose education has been disrupted by Covid-19 at a crucial time for their development. Up to £9 million is available for the programme to provide schools with training and resources, helping them deliver one-to-one and small-group support for five-year-olds whose spoken language skills may have suffered as a result of the pandemic.

The *Nuffield Early Language Intervention* has been proven effective at improving children's language skills, which are essential for building the foundations of literacy and learning.

Part of the initial assessment involves sharing pupil data for assessment and research purposes. We have a duty to inform you that you have the right to withdraw your child from the research involving data from the Language screen assessment. Your child will still take part in the initial assessment and the data will still be available to the school.

If you do not wish your child's data to be used for research, please send an email to the school office. More information on this can be found here:

https://languagescreen.com/privacy_policy#PARENTS

Yours sincerely

Mrs Tracy Bryden
Executive Headteacher
On behalf of The Round House Primary Academy (part of TDLPT)
