11th September 2020

Dear Parents and Carers

We are trying our best to enable as much normality as possible within the guidelines. We are proposing to enable the children to scoot and cycle to school again, by opening up the areas for children to store their scooters and bicycles. The new designated areas for scooters and bicycles for each year group are outlined below:

Years 1 and 2: the bike racks by the trim trail will be sign posted – there will be one for Year 1 and one for Year 2.

Years 3 and 4: the scooter racks outside the Year 3 and 4 classrooms will be sign posted – there will be one for Year 3 and one for Year 4.

Years 5 and 6: the bike racks by the front entrance of the school will be sign posted – there will be one for Year 5 and one for Year 6.

Unfortunately, due to lack of space, the children in Reception may arrive on their scooters and bicycles, however these will need to be taken home and cannot be stored at school.

It is imperative that children only leave their scooters and bikes in their allocated areas to prevent any potential cross contamination of bubbles and we ask that children be wary of others around them when leaving their bikes and scooters as there may be children and parents from other year groups near to these areas (in particular, at the front entrance for Years 5 and 6).

Please can I remind everyone that scooters and bicycles are not to be ridden anywhere within the school grounds.

Thank you for your continued support.

Yours sincerely

Mrs Tracy Bryden
Executive Headteacher
On behalf of The Round House Primary Academy (part of TDLPT)
