11th September 2020

Dear Parents & Carers,

KS2 Homework

Homework and Accelerated Reader (AR) will be starting again on Monday 14th September. The expectations for these are outlined below for each year group.

Years 3 and 4

- **Reading** - children are expected to read for at least 10 minutes, 5 times a week from their AR book. This should be recorded in their reading diary (date, name of book, page number) and signed by an adult. The number of reads will be counted up each Friday so children must ensure that they have their reading diary and their AR book with them (along with a 100 read book if they have one of these too). AR club will continue to run at break times within bubbles.
- **Spelling Shed** - children are expected to complete at least 10 tasks set by the class teacher each week. These will be set each Monday and should be completed by the following Monday.
- **TT Rockstars** - children are expected to complete at least 10 games set by the teacher on 'Garage' mode. These will be set each Monday and should be completed by the following Monday.

Years 5 and 6

- **Reading** - children are expected to read for at least 10 minutes, 5 times a week from their AR book. This should be recorded in their reading diary (date, name of book, page number) and signed by an adult. The number of reads will be counted up each Friday so children must ensure that they have their reading diary and their AR book with them (along with a 100 read book if they have one of these too). AR club will continue to run at break times within bubbles.

Registered Company No: 8062508. Registered Office: Andrew Road, Eynesbury, St. Neots, Cambs. PE19 2QE

- **Spelling Shed** - children are expected to complete at least 10 tasks set by the class teacher each week. These will be set each Monday and should be completed by the following Monday.
- **Maths Whizz** - children are expected to complete at least 1 hour of Maths Whizz each week. This will be checked on Mondays.

If you do not have access to the internet at home, copies of the above can be made available weekly to your child. For children in Years 5 and 6, a Maths Whizz club can be made available for each individual year group, only for those without internet access. For paper copies or access to the Maths Whizz club, **please contact the school office as these are only available to those without internet access at home**. If children are unable to complete their homework at home, time will be provided during break times to ensure they are up to date.

Children are also expected to read and discuss the Knowledge Organisers that will be sent home throughout the term. Additional written tasks, linked to the Knowledge Organisers, will be available on class pages for any children who wish to complete these.

Thank you for your continued support.

Yours sincerely

Mrs Tracy Bryden
