

ABOUT US

Catering for over 4000 pupils and staff across 15 schools every day is a mammoth task but one that The Diamond Learning Partnership Trust relish undertaking with the launch of our new in-house catering operation "The Diamond Diners" led by our newly appointed Trust Catering Manager Carl Weston.

By choosing to run your catering services "in-house" the Trust have committed to improve quality & choice for our customers every day by listening to our pupils & staff, working with local suppliers and most importantly, investing in our teams to provide healthy and nutritious meals day in day out.

OUR FOOD

Keeping pupils fed with a healthy, balanced diet and providing fresh & varied menus at best value- that's what our team are all about.

We've worked hard to provide a much larger menu and range of meals, taking into account availability of "free from" meals and special diets- the majority of which can be catered for.

Through buying more locally we can assure fresh, good value goods whilst reducing our carbon footprint. We've partnered with local food champions such as Accent Fresh and family run butchers Marbec Meats to help us deliver this.

Fresh fruit & vegetables

Lean proteins & healthy fats

Wholegrains

Natural sweeteners

We've retained our wonderful team of cooks and catering assistants and will invest time with them and School Councils to ensure pupils get the best from their service.

We plan to introduce exciting theme days, educational workshops and tasting sessions to engage pupils & families in variety of ways- look out for our termly newsletters with more info!

OUR VALUES

NURTURE, INSPIRE, FLOURISH

Every child is different but one thing we all have in common are daily meal times.

Our aim is to nurture pupils through provision of nutritious meals, served in an inclusive and relaxed dining environment.

We hope to inspire our younger generation to be future "foodies"; to be brave in their choices and not be afraid to try something new.

We will provide a consistent, safe and positive service, welcoming our pupils everyday and supporting them to flourish throughout their School life.
