Pre-School Newsletter 1 Autumn Term 2024

Friday 13th September

A message from Mrs Bates...

Welcome back! I hope you all had an enjoyable summer break and made the most of the good weather that we had – mostly! It has been great to welcome all the children back to pre-school this past week and a half. A warm welcome to all our new children and families who have joined us at the start of this term.

The Pre-school has been under our school 'wing' now for two terms and the difference is incredible. The children have a great learning environment, along with a focus on developing language through our Foundation in Phonics, regular rhyme times and outdoor learning. We are very excited to be developing our Forest School provision for pre school this year so watch this space for more updates.

The children have settled so well back into their routines and it has been lovely to visit pre-school this week and see them so busy and happy in their play.

Writing my first newsletter to you all as Headteacher feels quite strange, having been at the Round House for the past 10 years. However, I am incredibly proud to be the Headteacher of our school and am excited about this new chapter and very much looking forward to continuing to make The Round House a great place for your children to learn and flourish.

Mr Clipsham and Mrs Rodgers will be joining me as part of the senior leadership team as Assistant Headteachers. Mrs Alecks and Mrs Claydon are available daily in pre-school should you have any queries but Mrs Rodgers, Mr Clipsham and myself are on the gates at the beginning and end of the day so please feel free to come and speak to us if you have concerns, issues or questions.

Friends of The Round House Primary Academy

We have a newly formed PTA and they are looking to plan events to raise money for the school and children. If you are interested in helping, join the Facebook page here:
