

The Round House Pre-School

Fortnightly Newsletter

Friday 16th February 2024 – Pre-School

Learning Theme – Construction

This week, the children have continued to develop their building skills. They have used shaving foam as cement to model building houses and large boxes to sit in and decorate.

We have enjoyed our Outdoor Learning, and now have access to chickens. The children were excited to see them up close. We have protective clothing to wear when needed.

Tapestry has gone live! The Pre-school team would like to thank you for your patience and appreciate all of the positive feedback that we have received.

The children have baked muffins and cooked scrambled eggs together to support snack options. If you upload a picture on Tapestry of your child cooking, we will share this during carpet time.

We have a private Pre-school Facebook page that is being finalised and will be made live shortly. Thank you again for your patience with this.

Special Events

The children had a brilliant time celebrating 'National Storytelling Week'.

Last week we were exploring the Lunar New Year. The children have watched videos to see how the festival is celebrated around the world. They have been able to make lanterns to carry, a dragon to dance with and personalised red envelopes to gift.

Mrs Rippingham visited us from the main school. She spoke about healthy eating and the lunch time experience in Reception Class. She then led a painting activity where the children used Red Peppers to make Dragons.

This week, we will be making and eating pancakes to celebrate 'Shrove Tuesday'. We are looking forward to seeing what the children will choose as their toppings! The children will also be practising their pancake tossing skills with pretend pancakes in frying pans.

Reminders

- Pre-school opens at 9am, please try and be on time.
- Please make sure all items coming into Pre-school are labelled.
- If your child is unwell and not coming into Pre-school please call the office to let them know on 01480 479890.
