This resource was made primarily with a single skin-tone as it is intended to be used with a specific person. To personalise the story, you can customise skin-tones, change symbol colours and add your own photos. My name is

December is a

busy

month.

Some things might be

different

at school.

This is because it is a special

time

of

year.

There is a celebration called Christmas.

This is an important celebration for Christians.

We might learn about the story of Christmas.

We might celebrate at school.

There might be Christmas play practice.

There might be singing.

There might be non-uniform days.

There might be special games and activities.

December can be fun for some people.

December can be tricky for some people.

This is because December can have lots of changes.

If the changes upset me, I can tell an adult.

My adult can help me to stay calm.

They might help me to make a timetable.

They might help me to make a list.

They can help me find a quiet place away from the celebrations.

Lots of things

will

stay the same

in December too.
