

A message from Mrs Bates...

This half term is flying by very quickly. The children have been working hard – as always! This term is always one of my favourites even though it is incredibly busy. There are several sporting events for Key Stage 2, trips for Reception and Year 1 and 2, Round House has got Talent, Sports Day, Y5/6 performances and SATs...the list goes on!

This term, Year 5 and Year 6 are taking part in Forest School as a whole class. This is a result of feedback from their questionnaires about not getting as much outdoor learning once they get into Year 5 and 6. So the children have spoken and we have listened! Year 5 classes have started this half term and Year 6 will start after half term.

Athena house won the reward for the most dojo points last term. They enjoyed an extra playtime with added bubbles! Athena were last in the Autumn term so it shows that it is close between all houses. The children are going to be spending the afternoon in houses before half term to design a shield to represent their house.

As the warmer weather comes, please make sure that your children have hats and water bottles in school. We have very limited shaded areas on the field and playground. Children also need to be wearing sun cream. This ideally is applied before school. However, children may bring sun cream into school to reapply during the day. They need to be able to do this themselves as adults are not able to do it.

Have a lovely weekend.

Mrs Bates 😊

Parking

This is yet another plea for parents to show consideration for the safety of children and for residents along School Drive by **NOT** parking on the double yellow lines!

I am concerned, along with several parents who have raised this with me, that it is only a matter of time before a child is seriously injured by this careless parking.

Thank you to those of you who are using the school carpark or Tesco carpark. We appreciate this.

Uniform Reminder

We are noticing some children are coming to school not wearing the correct uniform.

Joggers and trainers are not appropriate uniform.

Please see information on the school website.

We also have a great community wardrobe who have a range of uniform in excellent condition. Uniform points may lead to children not being allowed to come in their own clothes on Reward Day. Thank you for your support with this.
